Chitkara University
8.57 CGPA

CLASS XII
CBSE
81.6%

CLASS X
CBSE
71.0%

PROJECTS

Stranded
C++ & SFML

A top-down, endless wave survival, shooter game made using C++ and SFML without the help of any existing game engines.

dishalearning.com
Next.js, Tailwind CSS & Firebase

A landing page and QnA portal made using Next.js and Tailwind. With proper SEO and admin panel features.

Draw-It
Node.js, Express & Socket.io

It is a simple collaborative drawing platform made in Node.js with Express and Socket.io. It has the ability to host multiple rooms where users can concurrently draw.

java-wordle
Java

This program implements the popular word game Wordle. Wordle is a daily puzzle where players have six attempts to guess a five-letter word. After each guess, the game provides feedback on the correctness of each letter.
